TEMPORARILY PROHIBITING THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT OF AMUSEMENTS, PLACES OF ENTERTAINMENT, DANCE HALLS, CABARETS AND RESTAURANTS ON THAT PORTION OF UNION STREET BETWEEN STEINER STREET AND VAN NESS AVENUE AND ON THAT PORTION OF FILLMORE STREET BETWEEN UNION AND LOMBARD STREETS FOR ~~SIX MONTHS~~ ONE YEAR; PROVIDING FOR DEFINITIONS AND A SEVERABILITY CLAUSE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Purpose and Findings. The Board of Supervisors, after consideration of the many complaints from citizens residing in or about the environs of Union Street, between Steiner Street and Van Ness Avenue and Fillmore Street, between Union and Lombard Streets, and after considering testimony for and against the imposition of controls upon the proliferation of restaurants, places of entertainment, dance halls, discotheques and bars in said area, makes the following findings:

A. The City and County of San Francisco is currently engaged in the study of the question whether a special use district should be established for all places of entertainment, restaurants, dance halls (including discotheques) and bars within that area of Union Street bordered on the East by Van Ness Avenue and on the West by Steiner Street and that area of Fillmore Street bordered on the South by Union Street and on the North by Lombard Street.

B. For the purposes of this ordinance, the following definition shall apply:

(1) Cabaret. Every premise to which members or patrons are admitted between the hours of 2:00 a.m. and 6:00 a.m. which serves food, beverages, or food and beverages, including but not limited to, alcoholic beverages, for consumption on the premises or wherever entertainment as defined herein is presented, furnished or occurs upon the premises.

(2) Dance. Any gathering of persons in or upon any premises, other than a private home or residence, where dancing is engaged in or occurs upon the premises.

(3) Dance Hall. Any building or place in which a dance is held.

(4) Discotheque. A dance hall as defined herein.

(5) Entertainment. Any act, play, review, pantomine, scene, song, dance act, song and dance act, or poetry recitation, conducted or participated in by any person, whether or not for renumeration. "Entertainment" also includes a fashion or style show, except when conducted by a bona fide nonprofit club or organization as a part of the social activities of such club or organization, and when conducted solely as a fundraising activity for charitable purposes.

(6) Restaurant. Any coffeeshop, cafeteria, short-order cafe, luncheonette, tavern, cocktail lounge, sandwich stand, soda fountain, in-plant or employee eating establishments and any other eating establishment, organization, club, including Veterans' Club, boardinghouse, guest-house, caterer, which gives, sells or offers for sale, food to the public, guests, patrons, or employees as well as kitchens or other food preparation areas in which food is prepared on the premises for serving or consumption on or off the premises, and requires no further preparation and also includes manufacture of perishable food products that prepare food on the premises for sale directly to the public. The term "restaurant" shall not include itinerant restaurants, cooperative arrangements made by employees who purchase food or beverages for their own consumption and where no employee is assigned full time to care

JAN 6 1978

DOCUMENTS DEPT.
S.F. PUBLIC LIBRARY

for or operate equipment used in such arrangement, or private homes; nor shall the term "restaurant" include churches, church societies, private clubs or other nonprofit associations of a religious, philanthropic, civic improvement, social, political, or educational nature, which purchase food, food products, or beverages or which receive donations of food, food products, or beverages for services without charge to their members, or for service or sale at a reasonable charge to their members or to the general public at occasional fund-raising events, for consumption on or off the premises at which the food, food products, or beverages are served or sold, if the service or sale of such food, food products or beverages does not constitute a primary purpose or function of the club or association, and if no employee or member is assigned full time to care for or operate equipment used in such arrangement.

C. That said area of Union Street between Steiner Street and Van Ness Avenue and Fillmore Street between Union Street and Lombard Street comprises a strip of land eleven (11) city blocks in length.

D. That the residents and merchants residing and doing business in said eleven block area of Union Street and Fillmore Street and merchant and residential associations, councils and other groups have expressed great concern and alarm over the proliferation of restaurants and discotheques in the area and the resulting problems of noise, scarcity of parking for residents of the area, street and sidewalk congestion and the general reduction in the quality of residential life.

E. That a survey conducted by the Golden Gate Valley Neighborhood Association indicates that there are approximately five thousand (5,000) seats in restaurants alone as defined herein in this eleven

block area of Union and Fillmore Streets.

F. That the exemption of retail establishments of five thousand (5,000) square feet or less from parking requirements imposed by the City Planning Code (Part II, Chapter II of the San Francisco Municipal Code), coupled with the change in use from retail establishments to restaurants and places of entertainment, has placed a greatly increased burden on the existing, limited, parking facilities in the surrounding area.

G. That this increased burden has resulted in increased violations of parking and traffic violations set forth in the Traffic Code (Part II, Chapter XI of the San Francisco Municipal Code)

H. That a substantial number of the existing restaurants, dance halls or discotheques, and places of entertainment in the area open into the interior of city blocks which are residential in use and cause noise and odors which are disturbing to the public peace in the area, particularly to the peace and sleep of those persons residing on the twenty two city blocks surrounding the said eleven-block frontage of Union and Fillmore Streets.

I. That the aforementioned study may include, among other subjects, a consideration of the means, degree and extent to which the establishment of a special district in the area will lessen any adverse effects upon the surrounding residential areas or, at a minimum, limit the increase of such adverse effects.

J. In order to provide a reasonable period of time for such study, and for implementation of the recommendations of such study, and in order to prevent the frustration of the results of such study by the approval of the location of said enterprises which may be in conflict with the regulations which may ultimately be adopted by ordinance, and for the purpose of protecting the public safety, health and welfare, the Board of Supervisors finds that the adoption

of this ordinance is necessary.

Section 2. No permit for any restaurant, place of entertainment, cabaret, dance hall or discotheque as defined herein shall be approved for location on Union Street between Steiner Street and Van Ness Avenue and Fillmore Street between Union and Lombard Streets during the effective date of this ordinance.

Section 3. The Board of Supervisors hereby finds and determines that this ordinance is necessary because to permit the approval of the location of restaurants, places of entertainment, cabarets, dance halls or discotheques during the consideration of possible adoption of new zoning regulations applicable to permits for such uses or other regulation of the odd traffic congestion, parking associated with, and operation of such uses would be in derogation of the benefits to be derived from the study referred to above, and from the adoption of any regulation recommended thereby.

Section 4. This ordinance shall expire by its own terms one (1) year ~~six (6) months~~ after its effective date, unless sooner terminated or extended by action of the Board of Supervisors.

Section 5. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective.
